## Silent Auction Rules

The Silent Auction is a popular and fun activity designed to raise funds for the benefit of the **Brookfield Friends of the Library**. A wide variety of products and services have been donated by local businesses and residents, which are displayed during the event.

For each Silent Auction item, there is a bid sheet either next to the item or next to a description of the item. Use your bidding number (found on the back cover) to bid for the respective item on the bid sheet. There is no upper limit on any item. Any amount you elect to bid over the Fair Market Value of an item (where known) is tax-deductible. Bidding will continue on these items until the designated closing time. Please pay attention to minimum bid and raise amounts. You must follow these for your bid to be considered valid.

At closing time, the bid sheets will be collected and the winning bidder will be determined.

### What Are the Bidding Rules?

Bidding will begin at 6:30 p.m. and close at 8:45 p.m.

An auction clock will be designated and a countdown for the final minutes will be announced.

The stated values of items in the Silent Auction are based on information provided by donors or, in a very few cases, market values researched by the Friends. The Friends are not responsible for accuracy of donor-assigned values.
